

## Jumpstart your health with a **Baseline Visit**

At Curative, we're committed to helping our members get the most out of their health plan from day one. Curative members are invited to participate in a Baseline Visit to help take the guesswork out of their health. By completing a visit in the first 120 days of plan effective date, members continue with \$0 out-of-pocket costs for in-network care and preferred prescriptions.

It is completely confidential and won't impact your premiums or costs in any way.

**98%** of health plan participants complete the Baseline Visit.

Here's what you get with your virtual visit:

### Say hello to your Care Navigator

- Learn all about your new plan and benefits
- Get support on finding in-network care and 24/7/365 telemedicine
- Transfer prescriptions to an in-network pharmacy
- Get connected to programs to help reach your health goals

### Meet with a clinician

Members who meet with a clinician can discuss any healthcare goals or needs.

### Unlock \$0 in-network care

After your Baseline Visit, continue to get \$0 deductibles and copays for all in-network care and preferred prescriptions.

### Care Navigator

Each Curative plan member is paired with a Care Navigator who will be their first point of contact to the plan and follow-up post-Baseline Visit. They provide resources and guidance on maximizing Curative benefits, find in-network care, and help navigate an often complex health system.

Members can reach them by phone, text or email. Plus there's 24/7/365 member services support.

**Your Baseline Visit is our investment in you. Enroll in Curative today and experience a health plan you'll love to use. More information: [curative.com/faq/prospective-members](https://curative.com/faq/prospective-members).**
